Shipper's Declaration

		YES / NO
w	/e certify the Vessel is operated under a structured safety and/or quality management system and complies	
	ith all international and local shipping legislation and regulations, including all relevant Port of Vancouver	
	egulations contained in the Vancouver Fraser Port Authority Port Instructions Guide.	
W	/e have evaluated the condition and operating standards of the Vessel and confirm the Vessel has been	
re	corded in the SiRe database not more than six (6) months previously with no observation posing any	
u	nmitigated or significant operational risk and is otherwise fit for undertaking her intended voyage.	
W	e have verified that the Vessel meets all elements of the Vessel Acceptance Standard established by Trans	
	lountain Corporation, including special relevance to the section pertaining to Crew Qualifications and Conduct equirements.	
	he Master of the Vessel confirms having read and understood the said Vessel Acceptance Standard and the	
	/estridge Marine Terminal Regulations and Operations Guide. Master further confirms that the vessel currently	
	eets all relevant requirements mentioned in these documents, and such requirements shall continue to be met	
	or the period the vessel remains in Canada's EEZ. For this purpose, the Master has completed a Master's	
D	eclaration and Vessel Information Checklist.
